2024 International Youth Summit-Work Together for a Sustainable World

I. Aim

We hope that through cross-border cooperation in education, we will cultivate students' competency to connect with the world in terms of local deepening and global citizenship. With the SDGs 11 and SDGs13 as the main topics, this international summit aims to inspire students to pay attention to the cities and environment they live in with the perspective of sustainable development.

II. Organizer

Taipei Municipal Zhong Zheng Senior High School

III. Participants

International students & Taipei senior high schools' students.
